## ABOUT US

Yogi essentials Private limited, a emerging food brand established in 2023, aims to provide wholesome Indian food products sourced from farmers and global partners. We offer a wide range of pure, organic grown spices, grains, cereals, pulses, tea and more. Our practices align with the principles of organic agriculture, particularly supporting small-scale and marginal farmers. By promoting organic food production, we contribute to reducing our carbon footprint and preserving ecosystem quality.

All our food products adhere to strict "Indian Ayurvedic" standards, with a primary focus on the foundational principles of Ayurveda.

Yogi Essential private ltd. is committed to creating a sustainable planet and enhancing the quality of life by providing the best products for everyone.
